5th Annual stART at the Station • Sunday December 4, 2011, 11am - 5pm

(Special preview from 10am-11am)

At historic Union Station in Worcester, MA

The organizers of stART on the Street present a unique and festive arts event at Union Station, a restored historic rail/bus station located in Worcester, MA. Over 100 artists and crafters will participate in this indoor "stART on the Street" celebration, just in time for holiday shopping

Vendor Guidelines

- SATS '11 is a juried event with approximately 90 artist spaces - a predetermined number of spaces are allotted for each medium represented
- All spaces are 7' X 7', which is ample room for ONE standard 6'x 2.5' banquet table. Please work out the arrangement of your space before you arrive to set up at the event as you MUST fit all your displays and items within the space provided
- JURYING CRITERIA - applicants will be juried based on the following: all items must be handmade by the artist and not mass-produced. The event will be marketed as a "unique gift show" which means the more unique your items are, the higher the likelihood you will be selected. The artists selected for the categories of beaded jewelry and textiles will be limited to very unique items. Keep in mind if you apply for this event, we are limited by the size of the venue. Upwards of 200 artists will apply for 100 available spaces. Past participation in stART events does not guarantee participation in SATS '11.
- Images for jurying must be submitted exactly as requested to be considered. Send your three .jpg images to sarah@startonthestreet.org. Do not send CD's, photographs or samples of your original work. Your website will not be used for jurying. Please keep images to less than 1mg each ~thank you!
- New in 2011 we have added a "show preview" from 10am – 11am: Attendees may elect to pay an admission to be allowed special access in advance of general admission, which is otherwise free and begins at 11am
- Absolutely no tents or tent frames may be used in Union Station
- Electricity is not available
- You may not apply to occupy two spaces
- 2 artists may apply to share one space; each must submit a separate application, \$10 application fee and images for jurying - only one check for the space fee is required. If one of the artists sharing a space is not accepted the remaining artist may occupy the space alone.
- All application requirements MUST be submitted at one time. If you fail to include your application, fees or fail to include your images before the deadline, YOUR APPLICATION WILL NOT BE CONSIDERED
- Email confirmation that your application has been received will be sent within a week of receipt
- Notification of acceptance as a vendor at SATS '11 will be sent via email on or by November 4th and your original check will be mailed via USPS back to you if you are not accepted
- The organizers will assign spaces as they see fit taking into consideration any special requests you may have. There is no guarantee we will be able to fulfill your request
- The organizers reserve the right to decline any application. Due to the sheer volume of applicants, organizers will not provide explanations as to why artists were not accepted
- All arts and crafts for sale must be handmade by the artist, who must be present selling their items at the event. No imported items/no vintage or antiques! No Co-op spaces with more than two artists represented will be allowed. Vendors who are found to be selling mass produced items or reproduced copyrighted images will immediately be asked to remove the items or leave the event.
- In the case of **severe** weather, the organizers will cancel the event. Artists may apply 100% of their space fees to future stART on the Street events or receive a 50% refund of the space fee. If accepted artists are unable to attend the event but it still takes place, they are not entitled to any reimbursement
- Refunds for cancellations after October 31, 2011 will not be issued. No exceptions.
